## ISLAAMIC CENTER OF JONSBORO AND VICINITIES, AR

Sha'ban is the eighth month of the Islaamic calendar. Its name comes from in this month the Arabs used to disperse in search of water, or it was said that they dispersed to carry out raids and forays. Indeed, the number of months with Allaah is twelve [lunar] months in the register of Allaah [from] the day He created the heavens and the earth; of these, four are sacred. That is the correct religion [i.e. way], so do not wrong yourselves
