The month of Rabee' Al-Awwal comes after Safar, is one of the twelve Hijri months. Three important events in it; 1/ the birth of The the Prophet, 2/ his migration to Madinah 3/ his death. Some Muslims may Allaah guide them imitate the non-Muslims by regarding the birthday of the Prophet as the single most important event of the entire life of the Prophet and thus celebrating it. The Prophet warned us "Whoever does a deed that is not of ours then it is a forsaken deed" and "Whoever innovates in our Deen that is not of ours then it is a forsaken". This is a general rule of prohibition from all innovations (bid'a) in the Deen. The Hijrah {emigration} of Prophet Mohammad Salla Allaahu alaihi waSallam from Makkah to Madinah is one of the most important events in Islamic history. It was a turning point for mankind and a victory for the believers. It was the beginning of the greatest civilization that changed the face of earth from darkness to light & from ignorance to the knowledge of The Almighty Allaah. He is a mercy to all mankind. Join us on Sat Serah weekly lesson after Magrib. Read the biography of The last Messenger to all mankind.
